le buffet

Le Buffet offers exciting and practical new choices for your table and buffet!

From oversize presentation plates and platters, either on the tabletop or in self-serve buffet-style restaurants, *Le Buffet* offers many shapes to stimulate interest and appetite.

A vitrified hotelware product, *Le Buffet* stands up to foodservice use with its superior whiteness and strength. Offering substantiality, clean lines, and attractive contemporary shapes in numerous sizes, *Le Buffet* enhances and updates buffet and individual meal presentations. Wire stands complement the line and add a new, modern and simple element, raising the china to allow for easier service while heightening presentation and adding interest to the table.
