# SAM & SQUITO

*Sam & Squito's* new and trendy designs add excitement to your tabletop.

*Sam & Squito* is a Superbone China developed in 2003, using the finest quality raw materials. This Superbone China presents the whiteness of Bone China without the translucency. This makes *Sam & Squito* Strengthened Bone China an economical and durable alternative to traditional Bone China.

A three year edge chipping warranty is offered on flat round pieces.
